The Honorable Edward W. Ray
Acting Chairman
Copyright Royalty Tribunal
1111 20th St., N.W.
Washington, D.C. 20036

Dear Chairman Ray:

Pursuant to the Tribunal's order dated May 22, 1985 in the matter of the 1983 cable royalty distribution proceeding, Docket No. CRT 84-1 83-CD, this is to provide a listing of each claimant in the public television claimant group represented by PBS:

1. PBS through its claim represents PBS and all member public television stations. A list of those stations, which is PTV Exhibit 1 for identification as submitted in the direct case of public television on May 13, 1985, is attached for handy reference. If the Tribunal would like an identification of the licensees and stations that have also filed individual claims for the year 1983 as reflected in the Tribunal's claim records, we shall be happy to tabulate this information.

2. The other producers of public television programs (often referred to as "independent" producers) are represented by PBS through its claim. We have identified those other producers which have also filed individual claims in paragraph four of our prehearing statement filed April 22, 1985, a copy of which is attached for handy reference.

Sincerely,

Gene A. Bechtel
